KELLOGG INSTITUTE
FOR INTERNATIONAL STUDIES

A LEGACY OF EXCELLENCE SINCE 1982

The legacy of our founding director, **Guillermo O'Donnell**, endures not only through the connections he made with colleagues and students, but also through cultivating opportunities for visiting scholars.

As a Kellogg Visiting Fellow, you can explore democracy and human development in an intellectually-stimulating environment. With time to pursue scholarly inquiry, world-class resources, and the support of our interdisciplinary community, the Kellogg Institute is where you can move your research forward.

Learn more about our Visiting Fellowships at exhibit hall booths #17-18.
